From the northern state of Chihuahua, burritos are large flour tortillas, toasted hot and wrapped around a variety of freshly cooked ingredients. A meal in itself, a burrito gives the body everything it needs for the day...and sometimes a bit more!

At Wahaca we don't make any old burrito. Ours come with black beans, shredded cabbage, green rice, cheese, salsa and one of the delicious fillings below, drizzled with sour cream.

## The wahaca burrito

---

### **British steak** £6.20

Chipotle salsa & grilled spring onions.

### **Free range chicken** £5.70

Achiote, oregano & spices.

### **Slow-cooked pork** £5.70

Pink pickled onions & habanero chillies.

### **Seasonal vegetables** £5.70 V

Our seasonal vegetables finished with feta and salsa verde.

All of our burritos have been created with the most delicious combination of fillings in mind. If you have any special requests, we will be happy to help.

## Nibbles
